## SCHOOL COMMUNITY

Bishop Eustace Preparatory School is a Catholic co-educational, private high school located in Pennsauken, New Jersey. The Pallottine Fathers and Brothers established Eustace Prep in 1954. Eustace Prep began as a school for young men and in 1972 admitted young women. Since its first graduating class in 1958, over 97% of Bishop Eustace graduates have continued their education in college.

## MISSION STATEMENT

Within the Catholic tradition, Bishop Eustace Preparatory School - a private four year co-educational academic environment - promotes the lived philosophy of St. Vincent Pallotti, the founder of the Pallottines. The mission of the school, through the collaboration of clergy, religious and laity, is to prepare all students to realize their unique potential through spiritual growth, Christian service, education and personal development. By fostering self-discipline, integrity, cooperation and responsibility among our young men and women, Eustace Prep ensures that students will become productive citizens in a diverse, challenging and evolving world. Eustace Prep is one of the best private Catholic schools in New Jersey.

## ACADEMIC PROCEDURES

The school day consists of eight forty-minute class periods. Classes are held Monday through Friday on a six-day cycle. The school year is comprised of two semesters with two quarterly marking periods within each semester. Examinations are administered at the end of each semester. In calculating the semester grade, the two quarter grades are weighted at forty percent each while the examination grade is weighted at twenty percent of the semester grade. Final grades are posted on the transcript at the end of each school year. For seniors, a first semester grade report is generated and forwarded to the colleges and universities to which each student has applied. As a matter of policy, Eustace Prep does not report information regarding a student's disciplinary records to third parties. Eustace Prep does not rank students. Official transcripts will be sent to college admissions offices through Naviance which uses the Docufide System.

## PROGRAM OF STUDY

The program of study at Eustace Prep prepares students for post secondary success. Every student who graduates will have:

- Theology-4 years  
(including a yearly service requirement)
- English-4 years
- Laboratory Sciences-2 years
- World Languages-2 years
- Mathematics-3 years
- Humanities-1 year
- Physical Education-2 years
- Health-2 years
- History-3 years  
(2 years of United States and 1 year of World)

## GRADE POINT AVERAGES

Cumulative GPAs are computed for work completed at Eustace Prep only. The average is computed by dividing the total number of quality points earned by the total number of credits earned. Quality points are calculated by multiplying the point equivalent by the credits earned per course. All subjects are considered when computing the GPA.
