FALL 2022

BACK TO SCHOOL!

We were excited to welcome our school community back to campus last week for the official start of classes! The incoming freshmen class was the largest in three years, and we are also happy to share that we added over twenty-five transfer students to the Sophomore and Junior classes. Beyond the infusion of new students, we introduced five new members to our faculty, including our new Chaplain, Father Jean Baptiste. Please join us in extending a warm welcome to the newest members of our community.

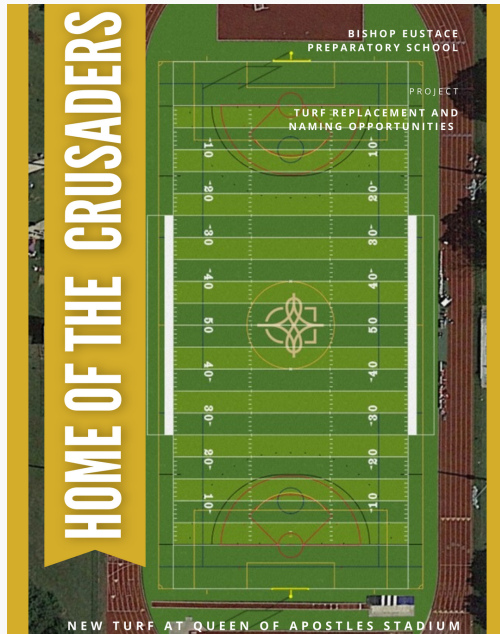

TRINITY REVITALIZATION COMPLETE

We are happy to share that the Trinity Revitalization Project has neared completion. A special thank you to the Class of 1971 for their generosity that directly provided the funding to completely renovate BETV. Among the renovations were an upgrade of all the technology, reconstruction of the physical layout of the space, and the addition of a sound room. In recognition of this generosity, the news network will now be known as **BETV-Channel '71**.

Thank you also to everyone that purchased bricks through the Trinity Revitalization program! They are all now installed and provide a beautiful walkway leading to our chapel. Proceeds from the brick pavers allowed us to upgrade technology touch boards in each classroom and modernize portions of the building. We are hopeful that next time you are on campus, you can stop by and check out your piece of Eustace's history! With the completion of Trinity, we are happy to announce that we will be focusing on Queen of Apostles Stadium. If you are or know someone who is interested in naming opportunities, please reach out! Details on the project are below.

FALL 2022

EXCALIBUR AWARDS

On Saturday, October 15th, we will host the 2022 Excalibur Awards on campus. In 1991, the Alumni Association created the Excalibur Award to recognize graduates who have distinguished themselves in some way since graduating from Bishop Eustace Prep. Nominees are judged based on their achievements and contributions in the civic, religious, humanitarian, professional, or academic areas. The award could be for a single act or a lifetime of achievement. These individuals also reflect the image of Bishop Eustace Prep and the Pallottines.

We are incredibly proud to announce the 2022 Bishop Eustace Preparatory School Excalibur Award recipients: **Marisa Silenzi Cianciarulo Esq. '91, Dr. George N. Costantino '69, Michael ByungJu Kim '81, Dr. David P. May '87, Joseph Pennisi '72, and John P. Silvestri '71.**

We look forward to celebrating the accomplishments of these outstanding individuals with the entire Bishop Eustace Prep community. To attend, purchase tickets at www.Eustace.org.

ALUMNI & NAMED SCHOLARSHIPS

We welcomed our first **Major Howard J. Graff Memorial Scholarship Winner** to campus last week! Through the generosity of **TJ Graff '76**, the goal of the Major Howard J. Graff Memorial Scholarship is to support and enrich the leaders of tomorrow by providing an opportunity to offset the costs of a four-year education at Bishop Eustace Preparatory School. The half scholarship aims to offer an opportunity to an 8th-grade student who meets all the necessary criteria for admission to Bishop Eustace Preparatory School and has a family affiliation with either law enforcement or military service.

If you are interested in making a Bishop Eustace education possible for a potential student by starting a named scholarship, please reach out to tradition@eustace.org.
