

Summer Assignment 2023

French 2: It is better to pace your review/learning new material over the summer instead of waiting until the end of August.

1. Study your colorful papers [white, dark pink, light pink, orange, light green, beige, blue (aller-s'appeler), gray, yellow, "skipping paper,"] and the first lesson of the Party Unit. Write out as needed to retain what we have learned. ☺
2. Read over Party Unit Lesson 2 vocabulary, p. 6. Learn vocabulary by writing out to study. Then, study present tense blue verbs *essayer* to *mettre* for September. We will start to complete the exercises on blue, p. 2 in September. Finally, review yellow, p. 1, and memorize Dr. & Mrs. P. Vandertramp, the verbs that take *être* in the pc (along with all reflexives). We will continue to use yellow for support until the midterm.
3. Complete the following verb charts over the summer.

#1 verbe	jeter	prendre	se promener	descendre
présent	la classe	elles	je	nous
pc	la classe	elles	je (f)	nous (m.pl.)
fp	la classe	elles	je	nous
impératif	(tu)- (nous)+ (vous)-	(tu)- (nous)+ (vous)-	(tu)- (nous)+ (vous)-	(tu)- (nous)+ (vous)-

#2 verbe	vouloir	se souvenir	mettre	réussir

fp	nos amis	tu	mon groupe	vous
impératif	(tu)+ (nous)- (vous)+	(tu)+ (nous)- (vous)+	(tu)+ (nous)- (vous)+	(tu)+ (nous)- (vous)+

4. During the summer please do the following 6 free writings with a title (in French), opening sentence, 2-3 body sentences, and a concluding sentence, all in French. (4-5 sentences total) Please write them on 1 piece of lined paper, skipping lines after each free writing. Staple your paper to this handout. You may use your colorful papers for support. I will **NOT** grade this work. It will help you remember your French by writing out a little over the summer. Please vary vocabulary and verbs as much as possible. I will read over your work and give it back to you **without a grade.**

Summer Assignment 2023

French 3H: It is better to pace your review/learning new material over the summer instead of waiting until the end of August.

1. Study your colorful papers [white, dark pink, light pink, orange, light green, beige, blue, gray, yellow, salmon, & “skipping paper,”] and the Party Unit (all 4 lessons). Write out as needed to retain what we have learned. 😊
2. Read over *Les petits mots* (Little Words) on light purple, a new colorful paper for us. Divide the 2 pages into 4-6 parts and learn the words. Write out words/sentences to study. I will hand you some practice papers.
3. Study *l'imparfait* (imperfect) on gray and on the salmon handouts. Read over the pc vs. I chart on my typed handout, p. 2, that has the “cheat sheet,” which is how to begin to tell the difference between these 2 past tenses.
4. Complete the following verb charts over the summer.

#1 verbe	se taire	prendre	conduire	devenir
présent	la classe	elles	je	nous
pc	la classe	elles	je (f)	nous (mpl)
fp	la classe	elles	je	nous
impératif	(tu)- (nous)+ (vous)-	(tu)- (nous)+ (vous)-	(tu)- (nous)+ (vous)-	(tu)- (nous)+ (vous)-
imparfait	la classe	elles	je	nous

#2 verbe	recevoir	se souvenir	mettre	réussir

pc	nos amis	tu	mon groupe	vous
fp	nos amis	tu	mon groupe	vous
impératif	(tu)+ (nous)- (vous)+	(tu)+ (nous)- (vous)+	(tu)+ (nous)- (vous)+	(tu)+ (nous)- (vous)+
imparfait	nos amis	tu	mon groupe	vous

5. On the new **g.u. (grande unité)** packet, read over pp. 36-38 about the *futur simple* (“will”) and *conditionnel* (“would”) tenses. Do # 5 & 6, p. 15 g.u.
6. Write 10 sentences each in the *présent*, *pc*, *imparfait*, *futur simple*, and *conditionnel* tenses. Please label each set of sentences with the tense, and number your sentences. You may, of course, use your papers and g.u. packet for support. Please do your own work without using the Internet. **I will not grade this work**, but I will collect everything to make corrections.
7. Look up direct object and indirect objects/pronouns on Youtube and try to get a hang of what they are all about. We did do some direct object learning this year with the pc exceptions. Read over pp. 30-33 g.u. Try #1-5, pp. 30-31 and check your work with the corrigés, p. 31 bottom.
8. **There will be no quiz** on the summer assignment as soon as we get back to school. We will start (re-)learning this material normally in September. However, please do what you can to be familiar with the old and new material before we start (re-) learning it in class. I will start to give quizzes on this material after we go over each part well.
9. Read aloud to yourself in French off and on over the summer. You can read material from the Party Unit, our colorful papers, and/or online.

Profitez de votre été! (Have a great summer!)

(Please use p. 2 to practice writing out, doing your own verb grid, etc. 😊)

Summer Assignment 2023

French AP: I will not grade the summer assignment, but I will collect some of it to make corrections.

1. Study your colorful papers [white, dark pink, light pink, orange, light green, beige, blue, gray, yellow, salmon, & “skipping paper,”] and the Party Unit (all 4 lessons). Write out as needed to retain what we have learned. ☺
2. Review *Les petits mots* (Little Words) on light purple. Divide the 2 pages into 4-6 parts and learn the words again well. Write out words/sentences to study. I will hand you some more of the same practice papers.
3. Study *l'imparfait* (imperfect) on gray and on the salmon handout. Read over the pc vs. I chart, p. 2 salmon, that has the “cheat sheet.” Read over the cheat sheet until you can “feel” the differences inside you.
4. Review the 5 groups of pronouns on Youtube. Reread over pp. 30-33 g.u. Look up exercises online for pronoun practice.
5. Using the purple 12-tense sheet and the g.u. packet, review all 12 tenses. Find the irregulars for each tense and learn them. Study the past subjunctive. Finally, complete any blank sections of the g.u., even if there are only a few blank practice exercises/examples on some pages. **Please mark with a highlighter all the practice exercises in your g.u. that you completed.**
6. Read articles in French online about government, the economy, the arts, music, science and technology, global challenges, families and communities, contemporary life, and beauty and aesthetics. Read aloud sometimes to practice pronunciation.
7. Make up your own story (1-2 sides?) and write it down in French. Give your story a title. Write your story only in French. You may use your colorful papers and g.u. for support. Look up **individual words** only online for help!

9. Go to the site below and read about the French AP Exam. **Don't worry when you read what we are going to be learning!** It sounds complicated, but we will work it into our class routine. We will have a new textbook from France that is very engaging and will help us with AP material. We will start immersion on the first day of class. Again, don't worry! I will support you! (**On the College Board website, click on "Expand All" to the right of "Course Content" to get more information.**)

10. Finally, can you buy this AP Exam review workbook from Barron's over the summer? It is the most updated workbook that Barron's has for the French AP Exam. I just bought it today (6.1.23) for \$30.99 from Amazon, and it was \$9 off. If you don't have your own workbook, you won't be able to write in it. That would be a disadvantage, as you would have to write the answers on a separate piece of paper. You don't have to buy the workbook from Amazon, but I wanted to give you its exact information.

I have used earlier versions of this Barron's workbook for years with my AP students. It is in my mind the best resource to help us prepare for the AP Exam.
