

## BEPA October 2023 Newsletter

Dear Parents,

I hope the school year is off to a good start for all! BEPA and our school have lots going on for the month of October. Before getting into our exciting upcoming events, we would like to thank the girl's volleyball team for donating the September faculty lunch, catered by our in-house caterer, Brock. If your family or child's sports team or club has interest in donating to a future faculty luncheon, please reach out to one of the BEPA board members for details and available dates. This year's BEPA board, parent class reps and committee members are all listed on the school's website under Parent Resources.
